

ATP MISSION

The Assistive Technology Partnership (ATP), through collaboration, provides all Nebraskans access and opportunities to better live, learn, and work.

ATP STAFF BELIEFS

We believe in Respect

- Show compassion for individuals and their situations
- Represent ATP honestly to consumers and partners
- Listen to consumer needs without judgement
- Maintain open communication to all parties to the best of our abilities

We believe in Innovation

- Maintain and seek new community partners
- Identify new and emerging technologies for loan and demonstration
- Utilize emerging technologies to provide efficient staff services
- Train staff and consumers
- Support change to maximize services for consumers

We believe in Availability

- Provide one stop appropriate information and referral
- Be punctual for scheduled appointments and meetings and communicate delays and cancellations in a timely manner
- Monitor social media communication on a daily basis
- Respond to phone and walk in inquiries in a timely manner
- Provide accommodations when needed (interpreters, translation services)
- Check for understanding when communication is adapted or adjusted for clarification of the message

We believe in Independence

- Provide access to internal/external resources to assist consumers to make informed decisions
- Enable consumers to define their own independence
- Develop assistive technology solutions based on individual needs
